

Online Officer Training

In an effort to help minimize travelling and to utilize technology when possible, this year's incoming club officer training is going to utilize the Lions Learning Center. This resource is provided to all Lions through Lions Club International at no additional costs above your existing dues. All Lions have access to the Lions Learning Center. You will just need to know your membership ID number, which your club secretary should be able to provide.

The Lions Learning Center can be accessed at <http://members.lionsclubs.org/EN/resources/leadership-resource-center/lions-learning-center/index.php>

A Frequently Asked Questions (FAQ) document can be accessed at <http://www.lionsclubs.org/resources/EN/pdfs/faq-llc.pdf>. This FAQ document contains information for creating a login to the Lions Learning Center as well as how to recover a forgotten password and other useful information such as how to find and launch a course.

The course selection we are advising club officers to take are as follows:

Club President/Vice Presidents

- Club Officer training
- Club President Responsibilities - English
- Meeting Management

Club Secretary

- Club Officer training
- Club Secretary Responsibilities

Club Treasurer

When finishing a course, the Lions Learning Center offers recommendations on other available courses to take. You should consider taking these additional courses as you time permits.

Please make use of this great resource that is available to all Lions.
