#### Sponsor Notes

#### As a Recruiter:

Share your enthusiasm and knowledge about the Lions organization. <u>Refer</u> to the resource section of <u>www.lionsclubs.org/en/resources-for-members</u> which provides a wealth of information. <u>Inquire</u> what activities and interests your potential member has in the community. <u>Invite</u> them to a service project event that your club or neighboring club is sponsoring. Make sure you meet them early and introduce them to other Lions so they will feel welcome.

#### As a Meeting Host:

Make sure the prospective member feels welcome and understand that each Lion is dedicated to making a difference in the community through our service. When you invite the prospective member to your meeting:

- > Send the meeting time and location two weeks in advance
- Arrive early and advise the club officers and membership chair know you will have a guest
- Make them feel welcome and introduce your guest to each member of the club
- Involve the guest in the meeting discussion and allow them to make suggestions if club activities are being discussed.

#### As a Mentor:

Stay in touch and continue to walk them the learning journey and lions website

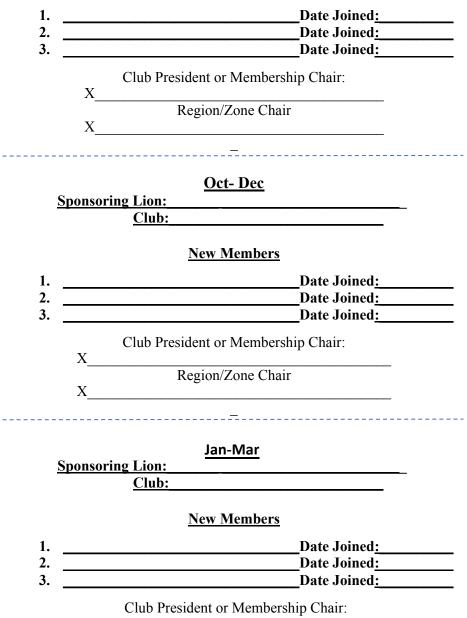

Make sure they understand our Code of Ethics, Dues, and the Commitment

Empower them to serve on the club committees and get involved

Make sure they are allowed to express their thoughts and ideas

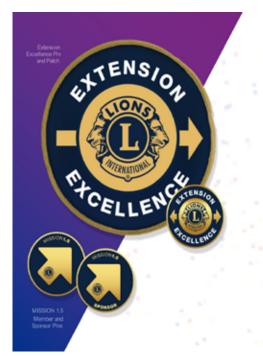

Encourage the Lion to be active and live up to the Lions motto: "We Serve"
